GERMAN BORDERS THREATENED FROM EAST AS PURGE BY HITLER CONTINUES

HIMMLER'S GESTAPO REPORTED ENGAGED

NAZIS APPARENTLY STILL IN FIRM CONTROL OF ARMY AND GERMANY

LONDON, July 24.—(#)—Himm-ler's Gestapo was reported carrying forward a vast, unprecedented blood purge in Germany today to quell what Winston Churchill called a revolution.

blood purge in Germany today is quell what Winston Churchill called a revolution.

The Germans announced grave new reperses in Poland, placing the Russian army within 50 miles of Warsaw. Foreign Secretary Anthonk Eden said events inside the Deich "seem to show that experienced German generals have seen the writing on the wall." By German and Russian accounts three more generals died in action in the east and a fourth joined the swelling ranks of those in prison cages.

The German radio exhorted the home front to "mobilize to the last strength" and asserted "no one has the right to live, not even breathe, who does not carry arms or forge them."

The Bersin correspondent of Tidningen of Stockholm cabled the Germans had acknowledged recruiting and supply for the war fronts had begged down begged.

NO ADDITIONAL FORM FILLING AS RESULT PREMIUM OIL PRICES

WASILINGTON, July 24.—AP—Producers will have no additional form filling to worry them as a result of premium prices to be paid for crude oil produced in small-yield fields.

This was emphasized by the Office of Price Administration today in explaining it was preparing forms to be sent to purchasers affected by the plan, starting Auf. I. The fucerase ranging from 20 to 75 cents a barrel, was approved July 6 by the Office of Economic Stabilization, to encourage production in low-yield fields.

The \$50,000,000 annual cost of the subsidy plan will be defrayed by the Reconstruction Finance Corporation through the defense plant corporation which will reimburse purchasers for premioun prices paid to producers.

Prices will be spelled out in ferms of existing ceilings, plus the premium, for each pool.

To prevent purchasers from receiving the benefit of the premium without passing the increase on to the producer, each purchaser applying for compensation from the DPC will be required to fill out a form certifying that the premium was paid to the productor.

Nearly 11,000,000 Pints

By the end of 1944, the Red Cross must have collected nearly 11,000,000 pints of blood, or a total approximating one pint of blood for every service man in service.

Only 465 pints hae been collected in this county, and only 522 pints are now being requested from this county, and only 522 pints are now being requested from this are now being requested from this are now being requested from this county, and only 522 pints are now being requested from this county, and only 522 pints are now being requested from this are now being requested from this are now being requested from this county, and only 522 pints are now being requested from this county, and only 522 pints are now being requested from this county, and only 522 pints are now being requested from this county, and only 522 pints are now being requested from this county, and only 522 pints are now being requested from this county, and only 522 pints are now being requested from this county, and only 522 pints are now being requested from this county, and only 522 pints are now being requested from this county from their blood. The concern said 600,000 feet of floor space, built two years ago to make war equipment no longer needed by the Allied forces, was being converted for production of jet-propelled turbines, and that jet propalsion specifications prepared by General Engineers also had been turned over to another company formerly engaged in making conventional airplane engines.

The Electronic equipment annunced by General Electric already is in use at the army's Aberdeen. Md., ordnance research cenden. ter proving grounds. It automatically measures the speed of a magnetized shell fired through a series of electric coils spaced apart, and records it on an electric

Thirty-Six Persons Participated Death Sinaloa Governor

CULIACAN, Mexico, July 24-(AP

CULIACAN, Mexico, July 24—(P)
—Thirty-six persons participated in the slaying of Governor Rodolfo Loaiza of Sinaloa last February, military authorities today quoted a confessed accomplice as saying before facing a firing squad.

Gen. Juan Jose Rios, commander of this military zone, meanwhile ordered renewed search for "the Gypsy", notorious West Coast bandit named by the executed prisoner as the man who shot the Governor. The executed man, known as "the little rooster," said the band of 36, all masked, entered a carnival masquerade ball at Mazatlan attended by the Governor. A man called "Blondle" was to have done the shooting, but lost his new, the prisoner added.

The "air parks" were described in the little rooster, was shot by a firing squad at Villa Union after a gunbattle with soldiers.

SELECTIVE SERVICE NEEDS BE LIMITED IS PRESENT BELIEF

WASHINGTON, July 24—Pi-Mos' selective service needs likely can be filled from the manpower pool under 26 years, the House Military Affairs Committee believes.
The committee reported it expects continuation of present draft induction and deferment policies. In a summary prepared for the group by Cot. Francis V. Keesling, Jr., the National military manpow-Jr., the National miniary manpower pool of registrants, aged 18 through 37, was placed at 22,212,000 as of Jav 1. About 10,251,000 of these were members or former members of the armed forces.

"Since the armed forces have already reached their authorized strength." Keesling said, "calls up-on selective service are for maintaining this net strength. Contingent upon the progress of the war, there is reasonable expectancy that

War Plant Workers On Strike Again

DETROIT, July 24—1P1—The outer drive plant of the Briggs Manufacturing Company which manufacturers ball turnts for bombers was closed today for the second time within two days when approximately 1.500 employes left their jobs in a wage dispute.

The workers returned to the plant this morning after staging a strike Saturday, having agreed to resume production pending negotiations of their dispute. Jess Ferraza, president of local 212, United Automobile Workers (CIO) said today's walkout followed a company refusal to discuss the differences.

How a former Corsicana signalman repairing broken communication lines with the Fifth Army in taly unexpectedly captured a German soldier is related in an article in a recent issue of the Fort Worth Star-Telegram.

Pyt. Lester K. Conner, son of Mr. and Mrs. O. D. Conner, 4032 Linden. Fort Worth, former residents of Corsicana, noticed a sudden movement in a wheat field slong the road and thinking that there might be a uniper or two in that neighborisood, leveled his carbine in that direction.

"Come out with your hands up, he shouted.

A surprised and bewildered German came out with his hands in the air, crying "Kamerad."

Conner took his prisoner to the area and then returned to the joo of repairing the broken line. He is a trouble shooter for an infairtry battalion of the 36th Division.
